Aberdeen Poll Dorset and Hovell Stud

Hovell Stud and Aberdeen Poll Dorsets stands among the country's elite Poll Dorset operations, with a proven record of high-index genetics and leading LambPlan and EBV performance.

Over the years the response from our clients has been exceptional. Historically strong sale results and the continued support of both new and returning clients have reinforced our belief in the value of combining outstanding genetics with a genuine commitment to service.

Our focus remains clear: premium genetics, exceptional customer service and measurable value for our clients. By leveraging the strength and depth of the Aberdeen and Hovell Stud flocks, we are committed to providing genetics that help producers lift flock performance, improve genetic quality and deliver a strong return on investment.

In addition to Poll Dorset rams, we have diversified our offering to include a select range of Maternal Composite rams to meet client demand and the industry's shifting breeding landscape. These rams have been developed around a unique Mount Ronan bloodline.

We warmly welcome our loyal clients back and extend a special invitation to those joining us for the first time at this year's Hovell Stud & Aberdeen Poll Dorset Annual Combined Ram Sale.

Please check our websites for further details and contact us if you have any queries.
